

JATIN PATHAK

MERN STACK DEVELOPER

701-525-3275 | jatinpathak463@gmail.com | New Delhi, India 110089 | LinkedIn.com/jatin-pathak

PROFESSIONAL OVERVIEW

Front-End Developer skilled in HTML, CSS, JAVASCRIPT (ES6+), React.js, Tailwind CSS, and Bootstrap. Skilled in building responsive, user-friendly, and high-performance web applications. Familiar with Node.js, Express.js, and MongoDB. Completed an internship at Encryptix Solutions, delivering multiple projects focused on modern UI/UX design, clean code and performance optimization. Currently pursuing MCA from Maharshi Dayanand University.

EDUCATION

Maharshi Dayanand University | Rohtak | MCA 2025-Present
Maharshi Dayanand University | Rohtak | BCA 2021-2024

WORK EXPERIENCE

Encryptix Solutions | New Delhi, Web Developer Intern Aug 2024 - Nov 2024

- Applied modern front-end techniques to improve design consistency, user experience, and performance
- Developed and deployed 3 responsive Web projects using HTML, CSS, JavaScript, React.js, Tailwind CSS, and Bootstrap, enhancing consistency on both mobile and desktop devices.
- Received Certificate of Completion for successful internship contribution.

PROJECTS

E-Commerce Website | repo  live  Aug 2024 - Nov 2024

- Built a fully responsive eCommerce website using React JS and Tailwind CSS, with a dynamic homepage.
- Implemented customer-facing features like product search, filtering, sorting, detailed product pages, cart system, place order flow, login/signup, and user-specific order list
- Deployed the optimized production build on GitHub Pages, ensuring fast and reliable access to the live application.

Weather Web App | repo  live  Aug 2024 – Nov 2024

- Developed a responsive weather application using HTML, CSS and JavaScript
- Integrated Open Weather API to fetch real-time weather data for user-specified locations.
- Implemented geolocation functionality to automatically detect and display local weather
